J. W. SCOTT'S

**"BEST"**

**POSTAGE STAMP ALBUM.**

Sample pages will be furnished on application.

Descriptions are useless, it sells on its merits as soon as seen.

It is brought up to the day of going to press, and has spaces for the new Nicaragua, Salvador, New Zealand, Netherlands, Curacao, Surinam, Straits Settlement, Monaco, Morocco, Persia, Hayti, Costa Rica, etc., etc.

It has supplementary sheets for United States Revenue Stamps.

The *market* value of every stamp is given in the space made to receive the stamp.

The lightly printed cuts do not spoil the appearance of the page, and, being small, there is room for color, value, and price in the spaces, and the cuts cannot be mistaken for stamps.

Additional pages, uniform with the book, issued to accommodate all series of new stamps as they appear.

Every Collector changes into this book as soon as he sees it.
