WILLIAM BROWN, Wholesale and Retail Foreign Stamp Dealer,

**ST. THOMAS' SQUARE, . .
. . SALISBURY, ENGLAND.**

SPECIALITY—PACKETS, SETS, AND CHEAP STAMPS.

RETAIL DEPARTMENT.

SINGLE STAMPS.—All used stamps in stock are supplied at a discount of **50 per cent.** off Gibbons' Catalogue prices, an extra discount of 5 per cent. being allowed on all **PREPAID orders of 5/- and upwards.** Collectors wishing to complete countries are especially invited to send me their lists of wants. The "Collectors' Want Book" (specimen copy, price 2d.) is supplied gratis on application to anyone sending a **prepaid order.**

Lists of stamps not in stock are filed or future reference, and as I obtain them, selections are sent on approval. Hundreds of stamps pass through my hands daily, and I am continually purchasing stamps for my customers at at least one-half the price they would have to pay if they ordered the stamps elsewhere. "Everything comes to him who waits" is a good proverb and it is especially true when applied to stamp collecting. No matter how

cheap the stamp may be, no pains are spared till my customer is supplied. Collectors should therefore write to me first before going elsewhere. Satisfaction guaranteed.

Remember all stamps ordered are sent on **approval**; if the customer is not satisfied, the stamps can be returned and money will be refunded.

Special quotations for unused stamps on application.

PACKETS AND SETS.—I have decided to still further reduce my prices for Packets and Sets, which are unequalled, both as regards quality and price. A list of some of the principal Packets and Sets is given below.

Remember **5 per cent. commission allowed on all payments made in advance** for Single Stamps, Sets, and Packets.

WHOLESALE DEPARTMENT.

My speciality is Long Sets and Packets. New Wholesale List sent free on application to dealers only. Any kind of Variety Packets made to order to suit customers' own trade. Correspondence invited.

I am also open to accept stamps in quantities,

in exchange for Packets, if price is reasonable. Samples must be sent beforehand, with price of each stamp separately, per 100 or 1000. Under **no** circumstances do I accept **mixtures.** All stamps offered in exchange must have paper removed from the back and sorted in hundreds.

XIII.—The World Series.
 All the packets in this series are entirely different from each other and form together a fine collection of over 2100 varieties. Any packet in the series may be purchased separately, so that a collector can gradually acquire a really fine collection at comparatively little cost, and without having to spend a large sum at once. This series is worth the attention of both the specialist and the general collector, as the packets are arranged so that stamps of each portion of the world can be purchased separately, although there are about the same number of stamps in each packet in each division, the second one is of better quality than the first, the third than the second, and so on.

:: Used English Plate Nos. ::

Fine Used English are really scarce. The ordinary copies usually met with are heavily post-marked, quite spoiling the look of the stamp. All the stamps mentioned below are much above the average copy. Collectors desiring to make up sheets of any English should send a list of letters wanted. I have a large number of partly made up sheets, which I am breaking up, and shall be pleased to fill List of Wants.

Hundreds of stamps pass through my hands daily, and I am continually purchasing stamps for my customers at at least one-half the price they would have to pay if they ordered the stamps elsewhere. "Everything comes to him who waits" is a good proverb and it is especially true when applied to stamp collecting. No matter how

cheap the stamp may be, no pains are spared till my customer is supplied. Collectors should therefore write to me first before going elsewhere. Satisfaction guaranteed.

Remember all stamps ordered are sent **on approval**; if the customer is not satisfied, the stamps can be returned and money will be refunded.

Special quotations for unused stamps on application.

PACKETS AND SETS.—I have decided to still further reduce my prices for Packets and Sets, which are unequalled, both as regards quality and price. A list of Packets and Sets will be sent post free on application.

Remember **5 per cent. commission allowed on all payments made in advance** for Single Stamps, Sets, and Packets.

WHOLESALE DEPARTMENT.

My speciality is Long Sets and Packets. New Wholesale List sent free on application to dealers only. Any kind of Variety Packets made to order to suit customers' own trade. Correspondence invited.

I am also open to accept stamps in quantities,

in exchange for Packets, if price is reasonable. Samples must be sent beforehand, with price of each stamp separately, per 100 or 1000. Under no circumstances do I accept **mixtures.** All stamps offered in exchange must have paper removed from the back and sorted in hundreds.

:: Used English Plate Nos. ::

Fine Used English are really scarce. The ordinary copies usually met with are heavily post-marked, quite spoiling the look of the stamp. All the stamps mentioned below are much above the average copy. Collectors desiring to make up sheets of any English should send a list of letters wanted. I have a large number of partly made up sheets, which I am breaking up, and shall be pleased to fill List of Wants.
