Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI.

JAN., 1907.

No. 195.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Despite these advantages we really have very little distributing to do. We probably do not average much above 1,000 circulars per month taking the year through, yet there must be many dealers who cannot send out enough circulars for lack of time and from other causes, and who are not taking advantage of the simple means offered by the *Chronicle*.

The publishers of the *Philatelic Chronicle* have a quantity of Canadian stamps, 1c and 2c, mostly Queen's head, with only part gum. The face value is two dollars sixteen cents. If any of my Canadian readers can do with these they are requested to make an offer. There are also mint stamps of the United States 76 one cent, 110 two cent and a number of 3c to 15c, total face value five dollars, seventy-nine cents. Also French Colonies 2c. to 1fr., face value 7fr. 80c., including Port Said, Indo-Chine, Crete, Levant. Russia four roubles, forty-three ropells; Mexico, two peso, seventy-two cents; Holland six gulden, forty-seven cents; Dutch Colonies three gulden, fifteen cents; France ten francs; Belgium, Brazil, &c. Offers for any of these lots at a reasonable discount are requested by the publishers.

All the stamps mentioned are unused and mint except the first mentioned.

All Colonial and American subscribers will receive with this issue a leaflet sent out by the New Century Stamp Agency, of Bristol, who offer some very special and cheap lines in Grenada stamps, such as are not often put upon the market at such low prices.

Messrs. Galbraith, Bethune & Co., have sent me the catalogue for their latest sale of Foreign stamps. Would-be purchasers can receive a copy upon application. I have also to thank Messrs. Stanley, Anderson & Co., Newcastle-on-Tyne, for their new Price List.

Mr. J. J. Smith, of Melbourne, informs me that the Australian Commonwealth has not yet adopted the Postal Order arrangement with the mother country, hence a money order costs a minimum of 6d. English stamps can be obtained in Melbourne, but the Post Office charges a good percentage, as much as 2d. on 1/- worth.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

INCH SPACES:8/- for 12, 4/- for 6, 2/6 for 3 insertions.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. FEB., 1907. No. 196.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

The publishers of the *Philatelic Chronicle* have a quantity of Canadian stamps, 1c and 2c, mostly Queen's head, with only part gum. The face value is two dollars sixteen cents. If any of my Canadian readers can do with these they are requested to make an offer. Particulars of other *unused, mint* foreign stamps offered for sale will be found on page 35. Any reader should be able to buy the stamps of his own country to great advantage, while others would find them cheap for purposes of remitting small sums. All payments for these stamps must be by Post Office Money Order or money in some form.

In common with all others who consider the well-being of philately, your old POSTMAN tenders his congratulations to Mr. H. L'Estrange Ewen, upon the successful outcome of the libel action just concluded. By exposing doubtful or bogus stamps Mr. Ewen is performing a public duty to the fraternity, and placing all minor considerations on one side, philatelists should be pleased at the successful issue of the matter. An excellent report is published in the *Stamp Collectors' Fortnightly*, and also by Mr. Ewen himself.

The publishers would like a reply to their various communications from Messrs Jacques Wortmann & Co., of Paris, whose advertisement is withheld from this issue.

I have to thank Messrs. Berry, of Gardiner, Mont., U.S.A., for some excellent photographs of the larger fauna of the country. These photographs are really excellent.

Although late in the day I must also thank Messrs. Lewis, May & Co., for their neat and tasteful Christmas Cards.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

INCH SPACES:8/- for 12, 4/- for 6, 2/6 for 3 insertions.
Unaltered and Prepaid.

List of the United States Lockseal, Hydrometer, Cigaret, Beer and Snuff stamps, also list of the foreign cancellations on the stamps of France and Great Britain, compiled and published by the Springfield Stamp Club. "THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI.

APRIL, 1907.

No. 197.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Particulars of other *unused, mint* foreign stamps offered for sale will be found on page 55. Any reader should be able to buy the stamps of his own country to great advantage, while others would find them cheap for purposes of remitting small sums. All payments for these stamps must be by Post Office Money Order or money in some form.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

I do not care to give gratuitous advertisements, but I certainly think the following is a deserving case:

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. MAY, 1907. No. 198.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Particulars of other *unused, mint* foreign stamps offered for sale will be found on page 55. Any reader should be able to buy the stamps of his own country to great advantage, while others would find them cheap for purposes of remitting small sums. All payments for these stamps must be by Post Office Money Order or money in some form.

While willing to accept *unused mint* stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

I have received a copy of the 1907 Edition of the Stamp Collectors' Annual, published by Messrs. Charles Nisson & Co., London. This year's issue is even better than the previous one, and contains many useful and interesting articles, well illustrated, such as a Philatelic Literary Index for 1906, by Percy C. Bishop, College Stamps by L. Savournin, &c. The price is 1/- nett.

When remitting in Foreign or Colonial stamps please send *high* values and few, rather than *low* values and many. Always, however, send money or post office orders if possible.

Among other Price Lists received lately are the new price lists of Messrs. Lewis May & Co., and Mr. H. C. Watkins, both well worth sending for. Mr. Watkins' address is "Granville Road, High Barnet," that of Messrs. Lewis May will be found in their advertisement.

When my friends write me with reference to their own or any other advertisement, I shall be very much obliged if they will give the location of the same. Often a quite reasonable complaint of some literal error is made by an advertiser. Like this: "Dear Sir, The third word of my advertisement is put *jam* it should be *slam*. Kindly alter. Yours, &c., John Jones.

1907 PRICE LIST

Foreign and Colonial Stamps, Albums, Mounts, &c.,

FROM

HENRY C. WATKINS

FOREIGN STAMP IMPORTER (STAMP Co.),

“Maitlands,” Granville Road, High Barnet.

TERMS.

Cash in advance. Postage extra. Registration if required, 2d. extra, this should always be sent with orders of 5/- and upwards, as I do *not* hold myself responsible for goods lost in the post.

DISCOUNT.

Two Shillings and Sixpence worth of sets or packets for TWO SHILLINGS (20 %). NO DISCOUNT WHATEVER ON ALBUMS, and no discount unless the actual amount of cash sent me comes to at least 2/-

REMITTING.

Payments of 6d. and upwards to be made by *Postal Orders*. If postage stamps are sent for payment, a *halfpenny* stamp must be added for every 10d. that is sent, to cover cost of cashing. For small amounts, such as 4d. or 5d., please send 2d. or 3d. stamps, as they are much more useful to me than ½d. or 1d. ones.

TO MY FOREIGN CORRESPONDENTS.

Remitting.—It is very often *cheaper and safer*, where the coinage is the same as that of Great Britain (*viz.*, £ s. d.) to send *coin* and register the letter than to get a Money Order. Care should, however, be taken that all letters containing coin are REGISTERED. Money Orders when sent should be made payable at G.P.O. London. I can under no consideration accept remittances in *unused* Stamps other than ENGLISH.

Correspondents in Ceylon, India, and other countries where the Money Order is sent on by the *Post Office* and *not* enclosed in the letter will greatly oblige by asking the Clerk to write *their name* on the Order, or failing this to obtain from him the *number of the Order*, and quoting it in their letter, as otherwise it is impossible to tell who sends it.

Postage.—Postage in every case extra, about 2½d. per 100 Stamps. except to those British Colonies where the rate is reduced to 1d. per half ounce, then 1d. per 100 Stamps, or by *Parcels Post* at purchaser's risk and expense. All Foreign or Colonial letters containing money or stamps should be registered, it is also advisable to ask for letters to be **registered to you** and to enclose 2d. for this purpose, as I do not hold myself responsible for goods lost in the post.

Cheap sets of Foreign Stamps.

PHILATELIC MAPS

Are a necessity for the Stamp Collector, being an educational aid, and enabling the collector to locate the exact spot from which a stamp is sent, and the country to which they belong.

Stamp Collecting is advocated by the majority of the Headmasters of our Public Schools for this reason, and a goodly number of the Headmasters themselves are active participators in this Royal Hobby.

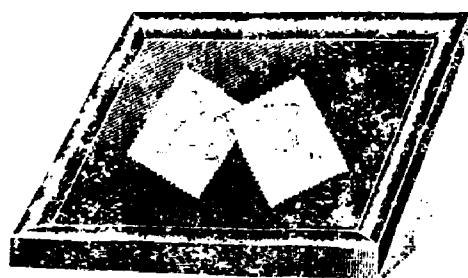

The Set of Maps that we have had specially engraved for the exclusive use of Stamp Collectors are beautifully printed in colours on the best Art Paper, with the names of Stamp Issuing Countries, and indispensable to every Collector for easy and correct reference.

THE PHILATELIC MAPS OF THE WORLD :

**AFRICA, ASIA, EUROPE, NORTH AMERICA, OCEANIA, AND
SOUTH AMERICA.**

Size gins. by 7ins., neatly encased in cardboard cover : price, 1 • post free

A Detector of Watermarks

Reveals Watermark instantly. Does not affect either colour or gum on stamp.

This is an excellent philatelic accessory, and is of the greatest value in detecting the watermarks in stamps which in many cases are hardly to be recognised even by persons of keen sight. The high prices at present paid for the Single C.A. watermark of our King Head Colonial stamps is an instance of the necessity for having one of our Detectors, and the small

cost of procuring one is soon repaid again and again. Our Detectors are in constant use in our offices. Price 1 • post free.

The "Superb" Perforation Gauge.

This Gauge is without doubt a great improvement upon any other gauge now before the philatelic public, and possesses *unique* advantages not to be found in any other gauge : being quite transparent enabling the perforation of any stamp to be gauged without removing the stamp from the Album. *Guaranteed Accurate.* *Convenient Size,* 4ins. by 3ins.

Price 6d. post free. In handsome leather case, 1 • post free.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. JUNE-JULY, 1907. No. 199.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle* and *Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 3d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

When my friends write me with reference to their own or any other advertisement, I shall be very much obliged if they will give the location of the same. Often a quite reasonable complaint of some literal error is made by an advertiser. Like this: "Dear Sir, The third word of my advertisement is put *jam* it should be *slam*. Kindly alter. Yours, &c., John Jones.

But Mr. Jones omits to say where his advertisement is to be found. Now, if there were only four advertisements in the *Chronicle* or even forty it would be a simple matter to discover the error and rectify it, but when it comes to wading through some four hundred advertisements it becomes a horse of another colour. How much more simple it would be for Mr. Jones to add the page and column in which his advertisement appears. I assure him it would save much perturbation of spirit and occasionally remarks of — well, indifferent character.

I have received reproof from that body of North British gentlemen, The Scottish Patriotic Association, because the word 'English' appears in divers parts of this paper instead of the more comprehensive "British" which the S.P.A. insist is the correct and proper word. I have every sympathy with the ideas of the Society, but I cannot consider "British" comprehensive enough, even. Presumably our Scottish friends would include Wales in the island of Great Britain, but has Ireland no rights. If the S.P.A. can prevail upon everyone to refer, say, to the "United Kingdom of Great Britain and Ireland stamps," I will fall into line and cease to refer to "English stamps." You see my grandmother was an Irishman, and I cannot leave the "ould country" out in the cold.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. AUG.-SEPT., 1907. No. 200.

Postman's Knock.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location over two years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is

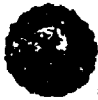

quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

Your POSTMAN has received the well illustrated and full account of "The Stamps of Sarawak," by Fred. J. Melville, published in a book of 84 pages, by Messrs. Charles Nissen & Co., at the cost of 1/- nett (1/1 post free). To all interested in this country the book is invaluable. Part II. of Gibbons catalogue is out of print, a new edition is in the press and will shortly be published, the price is 2/9 post free. Either of these books may be ordered through the publishers of the *Philatelic Chronicle*, as also may any of Stanley Gibbons publications at publishers' prices.

Messrs. Theodore Champion & Cie., have sent me the July issue of their Monthly Bulletin. Philatelists and all stamp buyers should subscribe to this. The price is one franc per annum—Specimen copy free.

The annual season opening issue of the *Philatelic Chronicle* is on October 14th, and advertisements should be sent as long before that date as possible. The opening issue of the *Chronicle* is recognised as the best opportunity offered to dealers and collectors during the year to reach other collectors and dealers in every part of the world. The *Philatelic Chronicle* for October will be sent this year especially to philatelists in Great Britain, the British Colonies and the United States, and a huge number of extra specimen copies will be sent out in order to reach all available active collectors and dealers. We especially request those who contemplate taking larger spaces to make arrangements at the earliest opportunity.

"LIVING IN THE BODY FOREVER."

Greatest TRUTH the World has ever known.

WHY DIE! When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old "three score years and ten" limit, and especially is this true of the Christian. We make the startling announcement that

ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

A Mighty Book it is! Its Truths are simply Marvellous.

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4/2), post paid.

This book is written by a *Master mind*, the great German Metaphysician, DR. GRAMNER, and is something entirely new, just printed.

ATTENTION! STAMP DEALERS AND COLLECTORS.

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7/-. Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to-day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

I am a Collector of Postage stamps of the World, send me any and all stamps you wish to exchange, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lots, and I will give you an honest exchange. **TRY ME.** ADDRESS—

ALLEN, Publisher, KENNEDY, N.Y., U.S. of America.

Notice and answer my illustrated adv. "Big Mail Free" on page 108 in this Chronicle.

The
Postage Stamp

An Illustrated Weekly Journal for
 all Classes of Stamp Collectors

Edited by **EDWARD J. NANKIVELL, F.R.P.S.L.**

No. 1 Ready October 5. One Penny Weekly.

THE POSTAGE STAMP is intended to meet the needs of Stamp Collectors and Dealers for an independent philatelic weekly, whose advertisement pages shall be freely open to all.

It will combine the publication of the highest class of useful and scientific articles with bright, newsy and varied pages; but its main policy will be the popularisation of all that is best in the fascinating pastime of stamp collecting, and the promotion of the best and most permanent interests of Stamp Collector and Dealer alike.

THE PROGRAMME WILL INCLUDE:—

- Gossip of the Week, free and chatty notes on philatelic events and news of the day, by Cornelius Wrinkle.
- Special Countries written up, to include the needs of all classes of collectors, with fluctuations of prices for the past ten years, and a bibliography of useful words and articles, by Edward J. Nankivell.
- Historical Rarities, their History and Price, with enlarged illustrations, by an Old Specialist.
- Collectors in Council, a free discussion of current controversies by a meeting of imaginary characters, including serious and humorous expressions of opinion, by Sir Charge.
- Notable Stamps, occasional articles from time to time on popular rarities, by well-known specialists.
- My Favourite Country, giving the interesting why and wherefore of their choice by eminent specialists.
- How to Collect, a helpful series of articles for the young collector, taking him by easy stages from the most elementary to the most advanced forms of collecting, by Edward J. Nankivell.
- The Stamp Market. Independent comments on the trend of catalogue, auction and market prices, by an independent writer.
- Stamp Auctions. Records of the more notable prices realised in the auction rooms from week to week, by a Buyer.
- Brer Fox and Brer Rabbit, an occasional friendly and humorous adaptation to philatelic topics, by Uncle Perf.
- Notable new Issues written up to date and fully illustrated, by the Editor.
- Our Open Page, set apart for the courteous ventilation of all shades and differences of opinion on questions of philatelic controversy, by our Readers.
- Philatelic Societies, full reports of meetings, by Honorary Secretaries.
- Reviews of new philatelic publications.
- Special Correspondence, from all philatelic centres, Colonial and Foreign, by leading collectors.
- Editor and Reader. Conversational replies to inquirers on matters of interest or difficulty.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. OCTOBER, 1907. No. 201.

Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this

respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

A new stamp weekly, Yclept *The Postage Stamp*, appeared this month, published by Sir Isaac Pitman & Sons, Ltd. The new venture is excellently produced, and is the utmost value that can be procured for 1d. in philatelic literature. The name of the editor—Mr. E. J. Naukivell—is full and sufficient evidence of the quality of its contents, but there are several other writers of almost equal excellence.

The new International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order.

Stanley Gibbons new Catalogue Part I. and Part II. may be ordered from the Philatelic Publishing Co., Part II will be ready about November, and Part I early in 1908. The price is 2/9 each, post free, or 5/3 the two ordered together.

Our excellent and ever welcome contemporary—*The Stamp Collectors' Fortnightly*—has recently amalgamated *The International Stamp Advertiser*—better known as "*Brown's*," late of Salisbury, recently of London. With the *I.S.A.* disappears the last of the many imitators of our own sheet. Some failed to reach adolescence, others were cut off in their prime—only "*Brown's*" kept up the effort year after year, and attained a ripe old age as philatelic advertisers go. The paper has always enjoyed the advantage of being in the hands of courteous and fair-dealing men, and I am glad it has found a well-earned resting place in the Abraham's bosom of the *S.C.F.*

A very useful type of Exchange Club is controlled by Mr. J. M. Morton, of Lealand Road, South Tottenham. It is formed with the idea of providing the specialist, with the stamps of the country or countries he desires, at the least possible trouble.

PERPETUAL LIFE!

OR

“LIVING IN THE BODY FOREVER.”

Greatest TRUTH the World has ever known.

WHY DIE!

When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old “three score years and ten” limit, and especially is this true of the Christian. We make the startling announcement that

ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

A Mighty Book it is! Its Truths are simply Marvellous.

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4/2), post paid.

This book is written by a *Master mini*, the great German Metaphysician, DR. GRAMNER, and is something entirely new, just printed.

ATTENTION! STAMP DEALERS AND COLLECTORS.

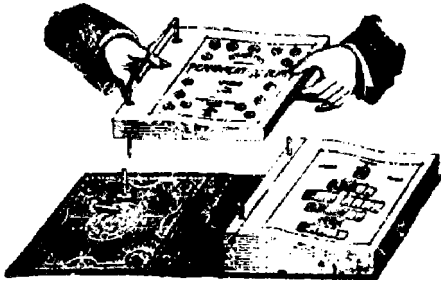

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7/-. Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to-day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

I am a Collector of Postage stamps of the World, send me any and all stamps you wish to exchange, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an honest exchange. TRY ME. ADDRESS—

ALLEN, Publisher, KENNEDY, N.Y., U.S. of America.

Notice and answer my illustrated adv. “Big Mail Free” on page 128 in this Chronicle.

The
Postage Stamp

An Illustrated Weekly Journal for
 all Classes of Stamp Collectors

Edited by EDWARD J. NANKIVELL, F.R.P.S.L.

No. 1 Ready October 5. One Penny Weekly.

THE POSTAGE STAMP is intended to meet the needs of Stamp Collectors and Dealers for an independent philatelic weekly, whose advertisement pages shall be freely open to all.

It will combine the publication of the highest class of useful and scientific articles with bright, newsy and varied pages; but its main policy will be the popularisation of all that is best in the fascinating pastime of stamp collecting, and the promotion of the best and most permanent interests of Stamp Collector and Dealer alike.

THE PROGRAMME WILL INCLUDE:—

- Gossip of the Week: free and chatty notes on philatelic events and news of the day, by Cornelius Wrinkle.
- Special Countries written up, to include the needs of all classes of collectors, with fluctuations of price for the past ten years, and a bibliography of useful words and articles, by Edward J. Nankivell.
- Historical Rarities, their History and Price, with enlarged illustrations, by an Old Specialist.
- Collectors in Council, a free discussion of current controversies by a meeting of imaginary characters, including serious and humorous expressions of opinion, by Sir Charge.
- Notable Stamps, occasional articles from time to time on popular rarities, by well-known specialists.
- My Favourite Country, giving the interesting why and wherefore of their choice by eminent specialists.
- How to Collect, a helpful series of articles for the young collector, taking him by easy stages from the most elementary to the most advanced forms of collecting, by Edward J. Nankivell.
- The Stamp Market. Independent comments on the trend of catalogue, auction and market prices, by an independent writer.
- Stamp Auctions. Records of the more notable prices realized in the auction rooms from week to week, by a Buyer.
- Brer Fox and Brer Rabbit, an occasional friendly and humorous adaptation to philatelic topics, by Uncle Perf.
- Notable new Issues written up to date and fully illustrated, by the Editor.
- Our Open Page, set apart for the courteous ventilation of all shades and differences of opinion on questions of philatelic controversy, by our Readers.
- Philatelic Societies, full reports of meetings, by Honorary Secretaries.
- Reviews of new philatelic publications.
- Special Correspondence, from all philatelic centres, Colonial and Foreign, by leading collectors.
- Editor and Reader. Conversational replies to inquirers on matters of interest or difficulty.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVI. DECEMBER, 1907. No. 222.

Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this

respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

The new International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order.

Stanley Gibbons new Catalogue Part I. and Part II. may be ordered from the Philatelic Publishing Co. The price is 2/9 each, post free, or 5/3 the two ordered together. Both parts are now ready at above prices from the Philatelic Publishing Co., Handsworth, Birmingham.

Mr. J. W. Ticker writes:—"Sir, Your readers may be interested to hear that I have just recently received a letter from M. Repillo, Tristan, D'Acunba, in which I am asked to convey the thanks of the Islanders to those friends in England who some time ago sent Postcards, Magazines and other literature to the Island. The letter bears a Cape stamp, and left Tristan, D'Acunba as far back as March last"

I have received from Messrs. Theodore Champion & Co., the 1908 edition of the famous Yvert and Tellier Catalogue, which is advertised upon another page. Containing 669 well printed pages, and with complete and perfect illustrations of all types and surcharges, the catalogue is most valuable to collectors and dealers and excellent value for money.

By error the advertisement of the British and Foreign Stamp Exchange, in our last issue, was made to read "Secretary now buyer" instead of "Secretary non-buyer"—a distinction with a big difference.

I have received the price of the London and Brighton Stamp Co., 74, Highdown Road, Brighton, which offers many cheap and useful lines in the less common variety of stamp.

We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

NOTICE!

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

PERPETUAL LIFE!

OR

“LIVING IN THE BODY FOREVER.”

Greatest TRUTH the World has ever known.

WHY DIE! When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old “three score years and ten” limit, and especially is this true of the Christian. We make the startling announcement that

ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

A Mighty Book it is! Its Truths are simply Marvellous.

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4/2), post paid.

This book is written by a *Master mini*, the great German Metaphysician, DR. GRAMNER, and is something entirely new, just printed.

ATTENTION! STAMP DEALERS AND COLLECTORS.

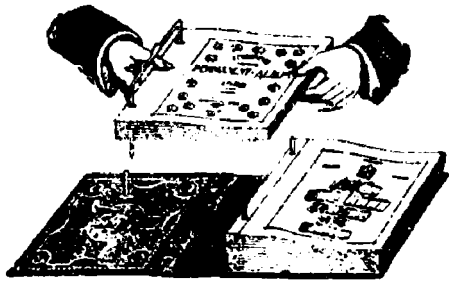

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7/-. Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

I am a Collector of Postage stamps of the World, send me any and all stamps you wish to **exchange**, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an **honest** exchange. **TRY ME.** ADDRESS—

ALLEN, Publisher, KENNEDY, N.Y., U.S. of America.
