## Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not

be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

The new International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order.

Nunn's Directory of the Stamp Dealers of Great Britain is, if anything, better in the 1907-8 Edition than heretofore. It is certainly a very useful and cheap book at 6d.

I do not want my readers to overlook the forthcoming Exhibition of Stamps of the British Empire, at Caxton Hall, Westminster. Admission is the cheapest possible—there being no charge.

Mr. Wilson Bailey, 231, Strand, has produced the first number of a high-class publication devoted to collectors in general and called "The Bibliophile."

I have received the price list of Mr. W. Ainsworth, Blackpool, with a fine list of cheap sets, also that of Wabster Bros., 68, Denbigh Street, London, S.W.

The Philatelic Almanac, 9th Edition, published by The Federal Stamp Co., is a very useful five pennyworth. I have also received the 1908 Almanac of M. Bela Szekula, Budapest, a fine guide to continental and other Foreign Philatelists and Societies.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

# PERPETUAL LIFE!

OR

## “LIVING IN THE BODY FOREVER.”

Greatest TRUTH the World has ever known.

**WHY DIE!** When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old “three score years and ten” limit, and especially is this true of the Christian. We make the startling announcement that

### ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

**A Mighty Book it is! Its Truths are simply Marvellous.**

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4 2), post paid.

This book is written by a *Master mind*, the great German Metaphysician, DR. GRAMNER, and is something entirely new, just printed.

### ATTENTION! STAMP DEALERS AND COLLECTORS.

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7/- . Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

**I am a Collector** of Postage stamps of the World, send me any and all stamps you wish to **exchange**, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an **honest** exchange. **TRY ME.** ADDRESS—

Entered at Stationers' Hall.

Vol. XVII -- No. 2. 1908. Full No. 201.

### Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine. (To say nothing of the great advantage secured by reason of the new ground covered.)

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not

be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps. South Americans are great sinners, they invariably send large sheets of low value stamps at their own conception of face value. When we get them they are almost waste paper—not worth one-quarter the amount they are supposed to represent.

The new International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½ each or five to 1/- Amounts over 1/- should be sent by Post Office Order.

The 1908 edition of "The Stamp Collectors' Annual," published by Messrs. Nissen and Co., is safely to hand. Among other interesting and useful features, a list of the new issues of 1907, a literary index for the same year, and a list of the principal auction prices are prominent. The book is 1/-, post free, and can be ordered from the Philatelic Publishing Co. The same firm have also issued the first number of a paper devoted to British stamps, Yclept, "The British Philatelist."

An advertisement in the "P.C. & A." seems to be efficacious for ever. I am informed by Mr. Ekserdjian, of Scutari, that his advertisement inserted two years ago is still bringing replies, and he is anxious to stop any further being sent.

The whole stock of Mr. J. B. Moens publications were purchased by Mr. Victor Marsh, Brixton Road, London, including the numerous monographs, last edition of his catalogue, *Le Timbre Poste, Le Timbre Fiscal, &c.*

Messrs. Galbraith, Bethume & Co, have sent me the catalogue of their sale on March 31st. The catalogues of other sales may be obtained by writing to them at Nottingham. I must also thank Mr. W. Hadlow for the catalogues of his auctions this season.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

# PERPETUAL LIFE!

OR

## "LIVING IN THE BODY FOREVER."

Greatest TRUTH the World has ever known.

**WHY DIE!** When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old "three score years and ten" limit, and especially is this true of the Christian. We make the startling announcement that

### ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

**A Mighty Book it is! Its Truths are simply Marvellous.**

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4.2), post paid.

This book is written by a *Master mind*, the great German Metaphysician DR. GRAMNER, and is something entirely new, just printed.

### ATTENTION! STAMP DEALERS AND COLLECTORS.

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7 - Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

I am a Collector of Postage stamps of the World, send me any and all stamps you wish to **exchange**, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an **honest** exchange. **TRY ME.** ADDRESS -

# Foreign and Colonial Stamps, Albums, Mounts, &c.,

FROM

## HENRY C. WATKINS

FOREIGN STAMP IMPORTER (STAMP Co.),

"Maitlands," Granville Road, High Barnet.

### TERMS.

Cash in advance. Postage extra. Registration if required, 2d. extra, this should always be sent with orders of 5/- and upwards, as I do *not* hold myself responsible for goods lost in the post.

### DISCOUNT.

Two Shillings and Sixpence worth of sets or packets for **TWO SHILLINGS (20 %)**. **NO DISCOUNT WHATEVER ON ALBUMS**, and no discount unless the actual amount of cash sent me comes to at least 2/-

### REMITTING.

Payments of 6d. and upwards to be made by *Postal Orders*. If postage stamps are sent for payment, a *halfpenny* stamp must be added for every 10d. that is sent, to cover cost of cashing. For small amounts, such as 4d. or 5d., please send 2d. or 3d. stamps, as they are much more useful to me than  $\frac{1}{2}$ d. or 1d. ones.

### TO MY FOREIGN CORRESPONDENTS.

**Remitting.**—It is very often *cheaper and safer*, where the coinage is the same as that of Great Britain (viz., £ s. d.) to send *coin* and register the letter than to get a Money Order. Care should, however, be taken that all letters containing coin are REGISTERED. Money Orders when sent should be made payable at G.P.O. London. I can under no consideration accept remittances in *unused* Stamps other than ENGLISH.

**Correspondents in Ceylon, India, and other countries** where the Money Order is sent on by the *Post Office* and *not* enclosed in the letter will greatly oblige by asking the Clerk to write *their name* on the Order, or failing this to obtain from him the *number of the Order*, and quoting it in their letter, as otherwise it is impossible to tell who sends it.

**Postage.**—Postage in every case extra, about 2½d per 100 Stamps, except to those British Colonies where the rate is reduced to 1d. per half ounce, then 1d. per 100 Stamps, or by Parcels Post at purchaser's risk and expense. All Foreign or Colonial letters containing money or stamps should be registered, it is also advisable to ask for letters to be **registered to you** and to enclose 2d. for this purpose, as I do not hold myself responsible for goods lost in the post.

## Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

While willing to accept *unused* mint stamps as payment for small amounts, the publishers do not see why larger amounts should not

be remitted by Post Office Money Order. Friends in Austria, France, Switzerland and some other places are very good in this respect, but German and Holland correspondents almost invariably send stamps

The new International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order.

An advertisement in the "P.C. & A." seems to be efficacious for ever. I am informed by Mr. Ekserdjian, of Scutari, that his advertisement inserted two years ago is still bringing replies, and he is anxious to stop any further being sent.

One step won't take you very far—  
You've got to keep on walking,  
One word won't tell folks who you are—  
You've got to keep on talking.

One inch won't make you very tall—  
You've got to keep on growing,  
One little ad won't do it all—  
You've got to keep them going.

I have to acknowledge, with thanks, Auction Catalogues for the past season from Messrs. Ventom, Bull & Cooper, Puttick & Simpson, W. Hadlow, Harmer, Rooke & Co., Galbraith, Bethune & Co., and others. I hope to see the advertisements of some or all these in the pages of "*The Philatelic Chronicle*" next season.

That splendid high-class magazine "*The Bibliophile*" to which I called attention in a recent number, more than upholds the excellent opinion won by its first issue. To all collectors, but especially the book-lover, it appeals most strongly, and to the general reader offers a refreshing change to the sketchy rubbish which fills the ordinary monthly magazine. The sixpence charged for it is not a tithe the value of its illustrations alone.

**Postman's Knock.**

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

## SPECIAL OFFER!

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

## NOTICE!

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

# PERPETUAL LIFE!

OR

## "LIVING IN THE BODY FOREVER."

Greatest TRUTH the World has ever known.

### WHY DIE!

When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old "three score years and ten" limit, and especially is this true of the Christian. We make the startling announcement that

### ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

**A Mighty Book it is! Its Truths are simply Marvellous.**

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4/2), post paid.

This book is written by a *Master mind*, the great German Metaphysician DR. GRAMNER, and is something entirely new, just printed.

### ATTENTION! STAMP DEALERS AND COLLECTORS.

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7/-. Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

**I am a Collector** of Postage stamps of the World, send me any and all stamps you wish to **exchange**, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an **honest** exchange. **TRY ME.** ADDRESS—

Vol. XVII.—No. 5. 1908. FELL No 207.

## Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d, and therefore the saving effected is £1 11s. 8d.—surely a consideration.

OUR ANNUAL BIG ISSUE to commence the season will be issued in October, and advertisers should not miss this chance which occurs only once in the year, and, with apologies to the poet:

"Like snowflake in the rippling river,  
When once it's lost, it's gone for ever."

The effect of this Annual October enhanced issue is felt throughout the season both by advertisers and by ourselves. It brings us subscribers and advertisements for months after, which is why we incur the expense,

while our advertisers have frequently assured us of a similar experience.

ONCE TRIED, NEVER FORGOTTEN.

BE IN TIME, DELAYS ARE DANGEROUS.

October 5th is the day to send in.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is a 1/-, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 6d., post free, from Philatelic Publishing Co.

Messrs. Harmer, Rooke & Co., whose advertisement appears on our front page, are making a special feature of Wholesale Sales this season, which will be held each month, commencing September 17th and 18th. These were tried last season as an experiment with most satisfactory results. Their total sales last season represented 20,174 Lots, which is the largest number that has ever been recorded before for one season.

Dear Sir,—Can you do anything to stop the swindling that goes on in the exchanging of stamps?

I have written to you before about certain individuals whose advertisements appeared in your paper, and to whom I sent selections of stamps, but I have never yet heard from them although I have written them two strong letters, and their names have appeared in your paper from time to time asking them to reply to letters sent to them. Their names are:—

Carl Place, Westmount, Canada.

E. Delicata, Floriana, Malta.

G. Adams, Box 45, Klerksdorp, Transvaal.  
Strchl, Reval, Russia.

Something really ought to be done to protect advertisers in your paper, or you will find they will drop off, as no one wants to lose stamps.

Yours etc.,

W. J. ROGERS.

# PERPETUAL LIFE!

OR

## "LIVING IN THE BODY FOREVER."

Greatest TRUTH the World has ever known.

### WHY DIE!

When you can just as easily LIVE and be happy and remain YOUNG. It is ABSOLUTELY POSSIBLE, the greatest Scientific Truth to mortals.

Manhood has for ages been hypnotized to the belief that it is pretty hard for an individual to live beyond the old "three score years and ten" limit, and especially is this true of the Christian. We make the startling announcement that

### ANYONE MAY LIVE FOREVER

if he is willing to drop that old tradition and learn the SIMPLE LAW of LIFE.

The law of change and growth provides that cells which are worn out and lost in our daily routine of work and thought, SHALL also be daily renewed or replaced, and exactly in the same ratio.

**A Mighty Book it is! Its Truths are simply Marvellous.**

If you are seeking for Truth and Perpetual Life, and with it Joy, Peace and Perpetual Happiness, send for this exceptional book. It will be sent on receipt of one dollar (4/2), post paid.

This book is written by a *Master mind*, the great German Metaphysician DR. GRAMNER, and is something entirely new, just printed.

### ATTENTION! STAMP DEALERS AND COLLECTORS.

We want you to help to circulate and sell these grand books. Will mail you post free 1,000 book circulars with your own name and address printed thereon and one copy of the book for 7,-. Will then fill your orders for books at 35 cts. each book and mail them anywhere post free. You should have these circulars to enclose in every parcel of mail you send out. Everybody wants this wonderful book and there is nothing on Earth that sells so rapidly from circulars mailed as this book. The field is ripe for the harvest, help to reap it. Order a book and 1,000 circulars to send out in your mail, do it to day, don't delay. Copy of the circular, &c., mailed you free, send your address to me *at once*.

I am a Collector of Postage stamps of the World, send me any and all stamps you wish to exchange, stating what you wish in exchange and I will do my best to please you. Do not send any but perfect specimens, and no two stamps alike any country or mixed lot, and I will give you an honest exchange. **TRY ME.** ADDRESS—

**CHANCE IN A LIFE-TIME.**

I am not a stamp man but am going to be. While I was in a country town a month ago I was lucky to get hold of a barrel of only U.S. stamps from an old man of 93 years of age. To introduce myself to the stamp dealers and collectors, I will sell one pound to a customer for 3/- or 75 cents post paid while they last. I sold half of the stamps in America and stopped, and now I am going to give a chance to my foreign collectors. The stamps are well mixed and dates way back to 1891. Address: HENRY MARTIN, 425 Main Street, Room 5, Worcester, Mass., U.S.A. 9

**CAUTION!**

Collectors are advised to exercise care in dealing with

"THE PHILATELIC CHRONICLE,"

Entered at Stationers' Hall.

Vol. XVII.—No. 6. 1908. FULL No. 208.

## Postman's Knock.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is a 1/-, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 6d., post free, from Philatelic Publishing Co.

While perfectly willing to accept *unused* MINT stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

Our next Special Issue will afford a splendid opportunity for dealers and collectors to reach thousands of philatelists in all parts of the world but especially the British Isles. There are many who consider, perhaps with good reason, that the philatelic season does not commence until towards Christmas, and for these our BIG SPECIAL issue will be a boon, as it will be distributed just at a time to secure the Christmas Trade—neither too early nor too late.

The October issue proved a great attraction to advertising philatelists, and it is not our fault if their expectations are not repaid. The usual flow of congratulatory letters from all parts has already commenced. But great as was the distribution of this issue, the next one will considerably surpass, if the support accorded be satisfactory—under any circumstances it will be a specially large issue.

Take an old aged and elderly POSTMAN'S advice, and

BE IN TIME.

Of course you may leave it to the latest day before sending in, but—DON'T! Delays are dangerous—and, then, you may forget.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

**SPECIAL OFFER!**

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

**NOTICE!**

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

**CHANCE IN A LIFE-TIME.**

I am not a stamp man but am going to be. While I was in a country town a month ago I was lucky to get hold of a barrel of only U.S. stamps from an old man of 93 years of age. To introduce myself to the stamp dealers and collectors, I will sell one pound to a customer for 8/- or 75 cents post paid while they last. I sold half of the stamps in America and stopped, and now I am going to give a chance to my foreign collectors. The stamps are well mixed and dates way back to 1891. Address: HENRY MARTIN, 425 Main Street, Room 5, Worcester, Mass., U.S.A. 9
