"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

*Entered at Stationers' Hall.*

Vol. XVIII.—No. 1. 1910. FULL No. 215.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 7d., post free, from Philatelic Publishing Co.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration.

While perfectly willing to accept *unused MINT* stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

While many auctioneering firms hold stamp sales occasionally, there is only one firm of any importance which devotes itself entirely to philatelic auctioneering—at all events in London—namely, Messrs. Harmer, Rooke & Co. Mr. Ernest Harmer, purchased the business in 1905, when it was carried on as Martin, Ray & Co. It had then been established four years, during which time 79 stamp sales had been held; but during the four years under the new management the sales held number 317—a result which speaks volumes for the enterprise of its managers. Mr. Harmer is the only stamp auctioneer holding sales each week; and for the benefit of collectors he introduced Saturday sales. He runs his business on the principle of "prompt turnover," that is to say, whilst most auctioneers require two months before offering lots, he offers them seven days after receipt and makes settlements seven days after sale.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

**SPECIAL OFFER!**

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

**NOTICE!**

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 2. 1910. FULL No. 216.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

**SPECIAL OFFER!**

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

**NOTICE!**

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 3. 1910. FULL No. 217.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 7d., post free, from Philatelic Publishing Co.

While perfectly willing to accept *unused MINT* stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

Messrs. Stanley Gibbons do not propose to publish new editions of their catalogue until October or November, 1910. Orders may be sent at any time to the Philatelic Publishing Co., Handsworth Birmingham, and will be executed as soon as the catalogues are published. The price is 2/9 each volume or 5/3 for the two.

There appears to be quite a revival in stamp collecting in Canada. The American dealers expect greatly increased business, and local societies are being formed. The latest organisation is the Winnipeg Philatelic Association, composed of two sections (Senior and Junior). There is a large membership already, and the Executive Officers 12 in number, are all over 25 years of age. This Association are anxious to secure a corresponding number for exchange purposes in every country—especially the British Colonies, and efforts are being put forth in order to boom philately generally. Amongst the members of the Winnipeg Society are several Britishers who have made their new home in the Far West. The Exchange Superintendent of the Association is Mr. J. Hooper, 183, Walnut Street, Winnipeg, Canada, who will be glad to hear from other Colonial collectors.

## SPECIAL OFFER!

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

## NOTICE!

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 4. 1910. FULL No. 218.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 7d., post free, from Philatelic Publishing Co.

While perfectly willing to accept *unused MINT* stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

Messrs. Stanley Gibbons do not propose to publish new editions of their catalogue until October or November, 1910. Orders may be sent at any time to the Philatelic Publishing Co., Handsworth Birmingham, and will be executed as soon as the catalogues are published. The price is 2/9 each volume or 5/3 for the two.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location several years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

**INCH SPACES:**8/- for 12, 4/- for 6, 2/6 for 3 insertions.

## SPECIAL OFFER!

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

## NOTICE!

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

Communications to

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 5. 1910. FULL No. 219.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 7d., post free, from Philatelic Publishing Co.

While perfectly willing to accept *unused MINT* stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

Messrs. Stanley Gibbons do not propose to publish new editions of their catalogue until October or November, 1910. Orders may be sent at any time to the Philatelic Publishing Co., Handsworth Birmingham, and will be executed as soon as the catalogues are published. The price is 2/9 each volume or 5/3 for the two.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location several years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

**SPECIAL OFFER!**

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

**NOTICE!**

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 6. 1910. FULL No. 220.

When writing in reference to any advertisement, please quote page and column to save time—especially if it is a small advertisement.

As this issue goes to a large number of philatelists who are new to us, and to whom our paper is a stranger, I venture to request all these to give a careful examination to it, and notice the variety of ways in which cheap, and yet efficient advertising may be secured.

It is not right to say of an ad. that does not sell goods that it is worthless. It may not sell a pennyworth of goods, yet still serve to keep the advertiser in the minds of readers, and a later ad. will complete the conquest the first one began. So long as we understand advertising to be cumulative in its effects, the success of the first of a series of ads. is not essential.

Readers would greatly oblige by sending the Editor a small supply of any surcharged Provisional Issue. Cash and postage will be sent immediately.

The best Philatelic Directory now before the public is the "20th Century Philatelic Directory" just issued by the B. L. Fuller Co., Washington, D.C. Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world. The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. The best Directory of British names is "Nunn's Directory," price 7d., post free, from Philatelic Publishing Co.

While perfectly willing to accept *unused MINT* stamps as payment, the publishers do not see why larger amounts should not be remitted by Post Office Money Order. International Reply Coupons can be used to remit small amounts in payment of subscriptions or advertisements. They will be accepted at 2½d. each or five to 1/- Amounts over 1/- should be sent by Post Office Order. But if stamps are sent please choose uncommon or higher values, and surcharged or obsolete if possible.

Messrs. Stanley Gibbons do not propose to publish new editions of their catalogue until October or November, 1910. Orders may be sent at any time to the Philatelic Publishing Co., Handsworth Birmingham, and will be executed as soon as the catalogues are published. The price is 2/9 each volume or 5/3 for the two.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been in its present location several years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

## A very fine collection value £10,000 for sale singly.

All the rarities were expertised by the *first-class* experts. If you wish to complete your collection with stamps very seldom met with, send list of wants, prices very moderate. Example: Labuan, 6 on 40 cts. inverted surcharge (Gibbons 72, catalogued by Kohl 450 mark'), £12; United States 1869, 24 cents, inverted centre, used, £15; St. Louis, 10 cents, peluse paper (Gibbons 8), used, £40; Malta 1865, imperforated pair on piece, 4 pence, £5; Montenegro, 5 kronen, blue surcharge (Kohl 450 marks), £12, &c., &c.

## SPECIAL OFFER!

It is a well-known fact that an occasional advertisement seldom pays, and the results depend upon the number of times during which it is repeated. We make this SPECIAL OFFER (possibly for this month only), to repeat a 24 word advertisement in Wants and Offers, 12 TIMES for 2/6, or 3.25 Francs, or 65 Cents, and send The Philatelic Chronicle for 1 year.

### NOTICE!

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. I will send all particulars about them to responsible parties, the price I ask for the whole lot being £120. It is a really good opportunity for a small dealer.

"THE PHILATELIC CHRONICLE,"

Handsworth, Birmingham.

Entered at Stationers' Hall.

Vol. XVIII.—No. 7. 1910. FULL No. 221.

Fifty-six pages are devoted to up-to-date names and addresses, many from the most out-of-the-way corners of the world.\* The price is 1/3, post free, from the Publishers, or the Philatelic Publishing Co., Handsworth, Birmingham. and other British Colonies,

The leading Dealers in above countries. 32

Messrs. Stanley Gibbons Catalogues, 1910, are now ready. Orders may be sent to the Philatelic Publishing Co., Handsworth, Birmingham. The price is 2/7 each volume or 5/- for the two.

I am asked to earnestly request all correspondents to address letters to "Philatelic Chronicle, Handsworth, Birmingham." The office has been, in its present location several years, and the Post Office will not re-direct any more letters sent to the old address.

The publishers of the *Philatelic Chronicle and Advertiser* will send one thousand circulars to philatelists for ten shillings. To post these separately costs £2 1s. 8d., and therefore the saving effected is £1 11s. 8d.—surely a consideration. It may be argued that distributing in this manner is not so efficacious as sending separately in envelopes. This is undoubtedly correct, but when the extra expense of envelopes, labour and time is considered, it will be found that the saving is quite genuine—to say nothing of the great advantage secured by reason of the new ground covered.

Messrs. Harmer, Rooke & Co., the London Philatelic Auctioneers, have established another record. Last season they sold no less than 24,736 lots which is easily a world's record. This season they are holding wholesale sales twice monthly, in addition to the numerous sales of special and miscellaneous lots.

A novelty in the way of Stamp Mounts have been invented and patented by Mr. H. C. Watkins, of Barnet. This ingenious arrangement presents the mounts in strips, which are torn off as required. The inventor will send a sample upon application.

Circulars distributed with CHRONICLE at 10/- per 1,000; 1/- per 100.

**NOTICE!**

I wish to thank all customers and exchange correspondents for the pleasure of their relations with me. Other occupations make it impossible for me to continue my stamp business. I have still a quantity of stamps of all kinds which I want to sell all together, as I have no time to retail them. If you are a collector of stamps, postcards, or anything, you know that the best way to enlarge your collection is to seek RELIABLE correspondents abroad, for exchange purposes. The UP-TO-DATE way is to join a large foreign correspondence club, one that is thoroughly reliable.

The UNIVERSAL CORRESPONDENCE CLUB admirably "fills the bill" giving quantity with QUALITY, and NOT charging a quality fee. ONE SHILLING (money order) pays your dues and entrance fees for one year, and you obtain full benefits without extra cost. YOU ARE ASSURED of getting your money's worth, as the club is managed by a board of well-known Toronto collectors, as a PASTIME, not for profit. Send along your shilling and become a member before our fees are advanced to Two Shillings on August 1, 1910. (Dealers double ordinary fees.)
