The San Antonia Philatelic club done great thing.?

Oney and Ralph will do the fighting and Roy will get the votes.

Vote for Ben. L. Morris for Librarian of L. A. P and you'll never regret it.

L. H. Mutch tells us he is a candidate for Secretary of L. of A. P. We know Mr. Mutch to be a true L. A. P. man and one who is fully capable of holding any office.

The penalty of fame:—"Seeing your name in a recent issue of the Blower, we take the liberty of enclosing you a few of our choice sheets at 50 per cent off marked prices."

A New Paper

Ohio will soon have another stamp paper—**THE PHILATELIC FREE LANCE**—a large 16 page monthly, and one that Ohio collectors can be proud of. It will be issued about June 1st, with Ben. L. Morris and H. B. Taylor, Editor and Business Manager.

There is a movement on foot to organize an Ohio Philatelic Society and we hope the publishers of the **FREE LANCE** will take up the movement, as there are quite a number of stamp collectors in Ohio, all of whom will give it their hearty co-operation.

We wish the **FREE LANCE** a long and prosperous life.

Philatelic literature collectors are increasing. Help a good thing along.

TO ADVERTISERS!

THE FIRST NUMBER OF THE
