THE HAWKEYE STAMP.

This society is just starting and we hope chronicle the complete organization in our next issue. Iowa certainly needs a good society and has plenty of collectors to support one. All Iowa philatelists are invited to join. Dues will be 20c. per yr. All members will receive the official organ free. Instead of an initiation fee, 5c. will be charged for each application blank to defray expenses of joining. An election of officers will be held in August.
