## **HELP WANTED!**

**If the collectors of Kansas City will do the right thing and help the Stamp News in the way of subscriptions we will soon have a fine local paper. It would be a fine thing for this city and will cause many people to start collecting stamps if Kansas City will support a stamp paper. We do not intend to make a fortune off of the outside world. Chicago has a stamp paper also Denver and Boston. Let us see what we can do.**

### **Great News!**

**We are now negotiating with some other people for a larger press which will make it able for us to increase the size of our paper.**
