TIME, * MONEY,

& * LABOR * SAVED !

Stamp Dealers!

We can save you time, money and labor on all the advertising matter you send out through the mail. For example: A dealer wishes to mail one thousand 6x9 inch circulars to stamp collectors. Aside from the cost of printing the circulars it would cost him \$10.00 for postage and \$1.50 for envelopes, besides his time and labor. Now, if instead, he has his circulars mailed through TURNBULL'S PHILATELIC MAILING AGENCY, he saves all of his time and labor, (except what is necessary to mail the circulars to Turnbull); he also saves the entire amount paid for stationery, and \$9.00 of the \$10.00 before paid for postage, TURNBULL'S AGENCY charging only \$1.00 per 1000 for mailing 6x9 inch circulars. Now, allowing 25 cents for postage on the circulars to Turnbull, the dealer's net saving by using TURNBULL'S PHILATELIC MAILING AGENCY is \$10.25, besides the time and labor saved. Mr. Dealer, don't you think it would pay you to try this system?

Turnbull's Philatelic Mailing Agency.
