## Stamps of all Nations for Collections

### WHOLESALE DEPARTMENT.

We do not issue a wholesale price list for, as dealers know, the market prices of stamps are always changing.

We have constantly on hand a large and varying stock of stamps, cataloguing at from 5 cents to \$20.00 each to offer at wholesale, in large lots.

Selections will be sent on approval to responsible dealers.

### APPROVAL SHEET DEPARTMENT.

We have only one class of approval sheets, "THE BEST," arranged by countries, collectors can order just what they want.

We allow the same discount on all classes of stamps, but stamps as everyone knows like precious stones and a faultless specimen is worth more than a poor one. The prices marked on our sheets are for the stamps offered, these prices are based on our own stock and are very often much less than catalogue. We allow 33½ per cent discount on all purchases of one dollar or over.

### ADVANCE COLLECTORS.

Should send their want lists and special sheets will be made up for them, on which the same discount, 33½ per cent. will be allowed.

### EXAMINATION DEPARTMENT.

Any doubtful stamps will be examined by our Mr. Georges Carion, for which a charge of 50 cents per ten stamps will be made, but when a written guarantee is desired the charge will be 5 per cent. of the catalogue value of the stamps submitted, in this case our guarantee is entire, stamps will be registered by us, and if at any time a stamp we guarantee genuine is proven otherwise, we will hold ourselves responsible for twenty (20) times the amount of percentage charged for examination.

A minimum charge of 50 cents will be made for all examinations. Postage and Registration both ways must be prepaid.
